2. Comment. The report confirms 6 troop trains of a total of 11 trains which hauled troops of the 34th Arty Div (US) from Jueterbog to Potsdam-Wildpark.

3. Comment. Probably a troop train carrying units of the 1st Mecz Div or 12th Gds Tank Div.

4. Comment.

25X1

The trains probably transported artillery units of the 12th Gds Tank Div. On 23 March 1953, another troop train was loaded at Jueterbog and probably returned to Neuruppin.

25X1

5. Comment. These troop trains probably carried light AAA units of the 6th Gds Mecz Div which returned to their home station. On 2 March 1953, these units moved from Bernau to Jueterbog on the troop trains

25X1

6. Comment. The train belongs to the previously reported movement of VP personnel to Oranienburg to be stationed in the quarters formerly occupied by the 25th Tank Div.

7. Comment. The troop train from Loburg to Brandenburg-Altstadt probably carried troops of the 124th Hv How Arty Brig (US) of the 6th Arty Div which returned from Altengrabow.
